Somerville train daily 1:00 a.m. 2:30 a.m.

Som the reefs, blessed Kernan a little in ing but old age might as well be born their hearts. He was the only one who vegetables. In Somerville, Mass., 200 boys assem- loved and protected the lantern, for it ble at a time to stone the railroad trains, had many enemies. All the wreckers and the police have to fire into the young on the coast hated it. Formerly, a storm immature miscreauts are orphans, but snatched up all the riches that were thrown up on the coast. It was a devil ish trade; but amidst the waifs there were rich finds, and the lantern had ruined them. They had attempted to with it. The grandest themes are daily smeared with the ebullitions of flabby sentimentalism."

But, Catholic or anti-Catholic, it is plain enough that no candidate can stand before the country who is not as atraight as a ramrod on the subject of crooked whisky," sagely observed the New York Herald.

Dost; but Kernan declared he would should attempting such a thing again. Among those the lantern had beggared was an old woman called by the reparative processes of Nature, the system is threatened with early decay. Hostetter's Stomach Bitters are peculiarly fitted to overcome the causes which lead to an untimely decadence of the vital energies, removing as they do all obstacles to omner of the reparative processes of Nature, the system is threatened by the reparative processes of Nature, the system is threatened by the reparative processes of Nature, the system is threatened by the reparative processes of Nature, the system is threatened by the reparative processes of Nature, the system is threatened by the reparative processes of Nature, the system is threatened by the reparative processes of Nature, the system is threatened with early decay. Hostetter's Stomach Bitters are peculiarly fitted to overcome the causes which lead to an untimely decadence of the vital energies, removing as they do all obstacles to omner of the substance. For the loss of strength consequent upon depleting such as thing again. Among those the lantern had beggared was an old woman called but have had pity on others, for her son, a brave sailor, was at sea the was twenty years old, and called but had not called and restraining an undue waste of physical greatened by the reparative processes of Nature, the system is threatened with early decay. Hostetter's Stomach Bitters are peculiarly decay. H

"You are very wicked. La Monette."

"It was at the time of the equinoctial

puss, or be will have to buy a dog for a the rock in her turn. By dint of throwing stones, she had succeeded in breaking one of the sides of the lantern, se that the wind and rain rushed in and put out the light. At sea the signals of distress were redoubled, but at daybrenk, Kernan, to his dismay, found the lantern

"La Mouetce on her side ran to the shore. It was covered with fragments dead bodies. She ran from one to the other, pulling off the rings, turning out by the Supreme Court of Tennessee, at Jackthe pockets. But suddenly she grew son, I will, on the pockets. But suddenly she grew pale; she stumbled, and then fell on her knees on the white stones. Her eyes were bloodshot; she turned one body over and over; she put her hand to he she wrapped it in warm linen, and called

R POSTERS, SHOW BILLS, CARDS.

Stronger, etc., gotten up with the latest colleger office and excepting time, being keep in repair by of Kernan's lanters. It is to this day the descendants of the maker.
